

HORSE DINNER

Pre-dried Italian Rye grass

Horse Dinner is a source of fibre and energy for your horse and is dust extracted. The pleasant taste and smell will satisfy and please the horse.

Properties

- 100 % natural, free of preservatives and chemicals.
- The moisture content in the product prevents dust.
- Rich in energy, higher nutritional value than hay.
- Rich in fibre, so ideal for digestion.
- Compressed and packed in a 18 kg bale, ideal for transport and storage.

Tips for use

A standard portion consists of 1 kg a day per 100 kg live weight, depending on work load and condition.

In order for the product to stay fresh, packaging must not be damaged.

Keeps for 7 days after opening.
